

ASEAN Standard Manufacturer for Distribution Boxes

Overview

Asean Group has been in the packaging industry for more than 4 decades and considered one of the pioneers and industry leaders in corrugated box manufacturing, offset printed cartons and other paper packaging products. Box-Pak (Malaysia) Bhd ("Box-Pak") was incorporated on 28 December 1974 as a private limited company. Our manufacturing units are located at Gandhidham, Kandla Special Economic Zone. Distribution boxes are the unsung heroes of electricity networks. They divide power flows, protect equipment, and shield us from surges. But travel across ASEAN and you'll see as many variations as there are dishes at a night market. Malaysia uses British-derived specs, Thailand follows US. Thai Containers Group is Thailand's leading packaging manufacturer with advanced technology in all types of packaging solutions and a number of production bases in various locations across Thailand and the ASEAN region. The Member States of the Association are Brunei Darussalam, Cambodia, Indonesia, Lao PDR, Malaysia, Myanmar, Philippines, Singapore, Thailand and Viet Nam.
