

Guyana Bridge Crossarm

Overview

Unveiled before thousands, the US\$262 million engineering feat, Guyana's longest and most advanced river crossing, now connects both sides of the Demerara River with 24/7 traffic, marking a turning point in national infrastructure. In a few weeks, the new Demerara River Crossing, the crown jewel of the PPP/C government led by President Dr Mohamed Irfaan Ali, will be opened to the public. This landmark project is yet another infrastructural feat by the administration, which stands to benefit thousands of Guyanese. In a most.
