

Ukrainian Underground Optical Cable Factory

Overview

UTEX is a Ukrainian manufacturer that knows exactly what the domestic market needs: from intra-apartment FTTH to backbone solutions for difficult terrain or critical climatic conditions. The length of constructed UTEX cables is 70% of the total length of Ukrainian roads. Optical cables specially designed for pneumatic blowing into pipes and micro ducts. Due to their compact diameter, light weight and smooth outer sheath with a low friction coefficient, they provide minimal air resistance and efficient laying over long distances without additional connections. Odesa, doroga Mykolaivska, 144 PJSC "ODESKABEL" is a modern, powerful enterprise that has confidently held a leading position in the cable and wire products market for over. Odeskabel plant was established in 1949. There are two main goals of our company. The first is a continuous quality improvement of the released production, and the second is a competent organization of uninterrupted. UTEX (Chernihiv Cable Plant) – one of the leading manufacturers of fiber optic cable in Ukraine.
